3) The reasoning given in the Concluding para of the P.O's letter Re sending the recommendation direct to Govt is not altogether justifiable, as after all, he is stated to have acted in accordance with the Bye Laws

4) Please see draft to the D.C. In the meanwhile some precautions could be put up in Bowringpet

5) The action of the President, Hassan Town Mcl in having sent the letter direct to Govt is not in order.

6) G.O. No. L 250-9/Mcl 44-38-1 dated 3.7.1918 prescribes the mode of correspondence by the Presidents of Municipal Councils to the Govt, it should be only thro' the Dist Offrs. This was however modified in G.O. No. L 207&85/Mcl 78-26-1 dated 11th Sept 1926 according to which the Presidents of Municipalities are authorised in very urgent cases, to forward direct to Govt copies of their communications, simultaneously with their transmission thro' the Dist Offrs. It is indeed hard to concede that, in this case, the subject is so urgent that it required to be sent to Govt the reply of the D.C. Hassan to the Mcl in respect of their resolu dated 30.8.41 that the bylaws should be first amended etc is quite correct. In this view the Hospet Mcl letter will be returned to the President for further thro the proper channel, pointing out the irregularities of the above G.O.
